It was decided that there is not enough time to go over the proposed changes to the bylaws. Eric Mahabir suggested that old bylaws should be replaced completely and a new set of bylaws be created.

Motion: It was decided that Eric Mahabir will work on the new sets of bylaws and will distribute them to the body by April 15th, 2014 for review. A bylaw meeting will be held on April 30, 2014 and the new bylaws will be reviewed and approved. (Fouad/Christy)

All Agreed. Motion Carried

3. **Disciplinary Updates Approval**

Serious issue of players appealing and playing was brought up. Players would send their appeals to ACA and continue to play until they hear back from ACA on it. Most cases they never hear anything back from ACA. This was considered a loop hole that was exploited very regularly. This was brought up in the ACA Semi AGM meeting on March 23, 2014. ACA said that the player will have to continue to serve the sentence until they hear anything back from ACA. And ACA will not even look at the Level 1 offences. The following motion was presented based on the findings from the ACA Semi AGM Meeting

Motion: Any player suspended will continue to serve his sentence until they hear back from ACA. There will be no appeals for the Level 1 offences. (Bryn/Yatin).

All Agreed – Motion Carried.
